

DIANE G. WALSH, M.S. CCC-SLP

Professor of Practice in the Department of Speech, Language, and Hearing
School of Behavioral and Brain Sciences
The University of Texas at Dallas
2895 Facilities Way, Richardson, Texas 75080
(972) 883-3610

Educational History

- Master of Science, May 8, 2004, University of Texas at Dallas, Dallas, Communication Disorders
- Bachelor of Arts, May 11, 2002, University of New Mexico, Albuquerque, New Mexico, Speech and Hearing Sciences

Professional Experience

- Professor of Practice III Department of Speech, Language, and Hearing. School of Behavioral and Brain Sciences, The University of Texas at Dallas. (2020-present)
- Senior Lecturer III Communication Disorders, School of Behavioral and Brain Sciences, The University of Texas at Dallas. (2015-2020)
- Senior Lecturer II Communication Disorders, School of Behavioral and Brain Sciences, The University of Texas at Dallas. (2013-2015)
- Clinical Lecturer Communication Disorders, School of Behavioral and Brain Sciences, The University of Texas at Dallas. (2009-2013)
- Research Coordinator, Veteran Administration Merit Award, Dallas VA Research Corporation. "Biofeedback treatment of apraxia of speech following stroke." (2005-2008)
- Speech Language Pathology Clinical Fellow, Digame Speech and Language Consultants, Alamogordo, New Mexico, 2004-2005.
- Research Assistant, Center for BrainHealth, The University of Texas at Dallas, 2003-2004.

Research Interests

- Language and aging
- Neurogenic communication disorders
- Aging and adults with developmental disorders
- Acquired motor speech disorders

Professional Memberships

- Speech Language Pathologist - Texas Licensure #101960
- American Speech Language Hearing Association Certificate of Clinical Competency #12067422
Special Interest Group: Neurophysiology and Neurogenic Speech and Language Disorders
- Academy of Neurogenic Communication Disorders and Sciences (2017-current)

Honors and other Recognitions

- American Speech Language Hearing Foundation Graduate Student Scholarship, 2003.
- Regents' Scholar, University of New Mexico, 1998-2002.

Awards and Fellowships

- Clinical Research Collaboration Grant, Callier Center for Communication Disorders. \$4000, Oct 2011; Project title: Discourse features of right hemisphere dysfunction
- American Speech Language Hearing Association Continuing Education ACE Award May 2017, 2014, 2011, 2008
