

February 8, 2023
Millie Rincón-Cortés, PhD
University of Texas at Dallas
School of Behavioral and Brain Sciences
Neuroscience

Educational History:

Postdoctoral Fellowship, 2020, University of Pittsburgh, 4200 Fifth Avenue, Pittsburgh, PA, 15260, Systems Neuroscience/Neurophysiology, Dr. Anthony A. Grace

Ph.D., 2015, New York University, 50 West 4th St, New York, NY, 10012, Neuroscience and Physiology
Pathway to Pathology: Early Life Trauma and Amygdala Serotonin, Dr. Regina M Sullivan

B.S., 2009, University of Puerto Rico-Recinto Universitario de Mayagüez (RUM), 259 Blvd Alfonso Valdes Cobián, Mayagüez, PR, 00682, Biology

Employment History:

Assistant Professor, 2022-Present, Department of Neuroscience, School of Behavioral Brain Sciences, University of Texas at Dallas, 800 W Campbell Road, Richardson, TX 75080

Research Assistant Professor, 2020-2021, Department of Neuroscience, University of Pittsburgh, 4200 Fifth Avenue, Pittsburgh, PA, 15260

Postdoctoral Research Associate/Scholar, 2015-2020, Department of Neuroscience, University of Pittsburgh, 4200 Fifth Avenue, Pittsburgh, PA, 15260

Graduate Research Assistant, 2009-2015, NYU Langone Medical Center 550 First Avenue, New York, NY, 10016 and Nathan Kline Institute for Psychiatric Research, 140 Old Orangeburg Road, Orangeburg, New York, NY 10962

Professional recognitions and honors (study, teaching, research, service):

Fellow, 2010, Sackler Summer Institute: Biology of Developmental Disabilities
Travel Award, 2010, International Society for Developmental Psychobiology
Graduate Research Fellowship, 2011, National Science Foundation
Dissertation Research Award, 2012, American Psychological Association
Early Career Investigator Travel Award, 2012, National Institute for Drug Abuse (NIDA)
Travel Award, 2013, International Society for Developmental Psychobiology
Graduate Student Travel Award, 2014, Society for Neuroscience
Sackler Dissertation Prize, 2015, NYU School of Medicine
Dissertation Award, 2015, International Society for Developmental Psychobiology
Travel Award, 2016, Society for Social Neuroscience
T32 Postdoctoral Fellowship, 2015, National Institute of Mental Health
National Research Service Award (NRSA) F32 Individual Postdoctoral Fellowship, 2016, National Institute of Mental Health
Travel Award, 2017, American College of Neuropsychopharmacology
Travel Award, 2018, Pan American Neuroendocrine Society

Early Career Investigator Travel Award, 2019, Society of Biological Psychiatry
 Travel Award, 2019, International Behavioral Neuroscience Society
 Trainee Professional Development Award, 2019, Society for Neuroscience
 Rafaelsen Young Investigator Award, 2020, International College of Neuropsychopharmacology
 Postdoctoral Fellowship, 2020, Ford Foundation
 Early Career Achievement Award, 2020, International Behavioral Neuroscience Society
 Associate Member, 2021, American College of Neuropsychopharmacology
 K01 Mentored Career Development Award, 2021, National Institute of Mental Health

Professional memberships:

Society for Neuroscience, 2010-Present
 International Behavioral Neuroscience Society, 2019-Present
 American College of Neuropsychopharmacology, 2021- Present
 International Society for Developmental Psychobiology, 2022-Present

Achievements in original investigation:

Articles in refereed journals: * denotes equal contribution

Invited talks/presentations at professional meetings, seminars, or colloquia assemblies:

- 2022 Emotional Brain Institute Seminar Series, NYU School of Medicine and Nathan Kline Institute for Psychiatric Research (Virtual)
- 2022 Department of Psychology, University of California- Davis (Virtual)
- 2021 Colegio Colombiano de Neurociencia (COLNE)/Colombian School of Neuroscience (Virtual)
- 2021 Department of Psychology, University of Massachusetts at Amherst (Virtual)
- 2021 Department of Neuroscience, School of Behavioral and Brain Sciences, University of Texas at Dallas (Virtual)
- 2021 CINP Rafaelsen Young Investigator Award Symposium, International College of Neuropsychopharmacology (Virtual)
- 2021 Pitt/CMU Center for the Neural Basis of Cognition (CNBC) Underrepresented Minority (URM) Early Career Researcher (ECR) Seminar Series (Virtual)
- 2021 John Hopkins University Department of Pharmacology and Molecular Sciences Seminar Series (Virtual)
- 2021 McLean Hospital/Harvard Medical School Center for Depression, Anxiety, and Stress Research (CDASR) Speaker Series (Virtual)
- 2020 Temple University Maladaptive Motivated Behavior (MMB) Neuroscience Seminar Series (Virtual)
- 2020 International Behavioral Neuroscience Society Staying Connected: Postdoctoral Fellow Seminar Series (Virtual)
- 2020 Neurobiology of Grief International Network (NOGIN), Tucson, AZ
- 2019 Emerging Neuroscientist Seminar Series (ENSS), Sainsbury Wellcome Centre, London, UK
- 2019 Researchers on the Rise Brief Talk Session, Developmental Affective Neuroscience Symposium (DANS), Pittsburgh, PA
- 2019 Panel speaker, National Hispanic Science Network (NHSN), New Orleans, LA
- 2018 Neurobiology of Stress Workshop, Banff, Alberta, Canada
- 2018 Winter Conference on the Neurobiology of Learning and Memory, Park City, UT

- 2017 Postdoctoral Speaker, Center for Neuroscience at the University of Pittsburgh (CNUP) Annual Retreat, Wheeling, WV
- 2015 Awards Symposium, International Society for Developmental Psychobiology SDP, San Sebastián, Spain **Talk given as part of acceptance of the Dissertation Research Award*
- 2014 Group Meeting, Neuroscience Department, NYU Langone Medical Center, NY, NY
- 2013 Child Study Center at NYU Langone Medical Center, NY, NY
- 2013 CNRS Sensory Systems and Olfaction Group Meeting, Lyon, France

Refereed talks/presentations at professional meetings:

- 2020 Panelist: Hardship, Hard Drugs and Soft Circuits, American College of Neuropsychopharmacology (Virtual)
- 2018 Nanosymposium speaker, Society for Neuroscience, San Diego, CA
- 2017 Gordon Research Seminar (GRS): Catecholamines, Newry, ME
- 2017 Nanosymposium speaker, Eastern Psychological Association, Boston, MA
- 2014 Nanosymposium speaker, Society for Neuroscience, Washington, D.C.
- 2014 Nanosymposium speaker, Eastern Psychological Association, Boston, MA
- 2013 Nanosymposium speaker, Eastern Psychological Association, New York, NY
- 2012 Nanosymposium speaker, Society for Neuroscience, New Orleans, LA

Other activities not documented in a publication: lectures, speeches, presentations, public and internet-based media projects, etc.:

- 2022 Keynote Speaker, Enhancing Neuroscience Undergraduate Research Experiences (ENSURE) Kick-Off Event, University of Texas at Dallas
- 2022 Scholars Day, University of Texas at Dallas

External funding for original investigations:

Proposals submitted:

Freeman Hrabowski Scholars Grant
 Millie Rincón-Cortés
 Howard Hughes Medical Institute (HHMI)
 2023-2033 (10 years), \$5,000,000,000
 Current status: Not Funded

Impact of early life adversity on caregiving behaviors and reward-related brain function: testing a mechanistic role for corticosterone
 Millie Rincón-Cortés
 Eunice Kennedy Shriver National Institute of Child Health and Human Development (NICHD)
 2022-2024 (2 years), \$100,000
 Current status: Scored at 11%, waiting on funding decision

Circumventing intergenerational motivational deficits in a rat model relevant to postpartum depression
 Millie Rincón-Cortés
 Brain and Behavior Research Foundation (BBRF)
 2023-2025 (2 years), \$75,000
 Current status: Not Funded

Grants/contracts awarded:

Environmental Modulation of Maternal Behavior and Mesolimbic DA Function

Millie Rincón-Cortés
National Institute of Mental Health
5/2022-5/2026, \$642,500

Motherhood, Postpartum Environment and Mesolimbic Dopamine
Millie Rincón-Cortés
Ford Foundation
6/2020-6/2021, \$50,000

Circuit-based study of sex differences in stress-induced dopamine downregulation
Millie Rincón-Cortés
National Institute of Mental Health
9/2016-5/2018, \$98,595

Pathway to pathology: Early life trauma and amygdala serotonin
Millie Rincón-Cortés
National Science Foundation
6/2011-6/2014, \$~180,000

Teaching:

Doctoral advisement/direction:

Abishag Porras	Expected 2027	TBD
----------------	---------------	-----

Classroom teaching:

2023	Spring	ACN/HCS/PSYC 6346.001	Systems Neuroscience
2022	Fall	HCS 6342.001	Research Methods and Professional Development in Neuroscience

Other:

Service – reviewing, refereeing and administrative work with professional societies and organizations (e.g. editorship, associate editorship, officer, etc.); departmental, college, university committees; community service, etc.:

2022

Thesis Committee Member (Dr. Thomas Szabo-Pardi, Hajira Elahi, Ching-Tzu Tseng, Ya-Yu Hu, Shevon Alexander, Sierra Rodriguez) Department of Neuroscience, University of Texas at Dallas

2022

Colloquium Committee, School of Behavioral Brain Sciences, University of Texas at Dallas

2022

Ad Hoc Grant Reviewer, Wellcome Trust Sir Henry Dale Fellowship

2022-2024

Chair, IBNS Membership and Communications Committee

2022-2024

Member, ACNP Program Committee and ACNP Diversity and Inclusion Committee

2021

Panel Speaker, Networking in a Virtual Era, NYU Diverse Neuroscientist Doctoral Training Series

2021-2022

Editor in Chief, International Behavioral Neuroscience Society Newsletter

Co-Chair, International Behavioral Neuroscience Society Membership and Communications Committee

2020-2021

Co-Editor in Chief, International Behavioral Neuroscience Society Newsletter

2020-2021

Committee Member, Center for the Neural Basis of Cognition (CNBC) Underrepresented Minority (URM) Early Career Researcher (ECR) Seminar Series

2019-2021

International Behavioral Neuroscience Society Diversity and Ethics Committee and IBNS Membership and Communications Committee

2018

Postdoctoral Member, Center for Neuroscience at the University of Pittsburgh (CNUP) Retreat Organizing Committee

2017-Present

Frontiers in Behavioral Neuroscience (Review Editor)

2017

Panelist, American College of Neuropsychopharmacology Underrepresented Minority (URM) Luncheon, Palm Springs, CA

2017

Ad Hoc Member, American College of Neuropsychopharmacology Minority Task Force

2016-Present

Ad Hoc Journal Reviewer for: *Neuropsychopharmacology*, *Cerebral Cortex*, *Translational Psychiatry*, *Neurobiology of Stress*, *Developmental Psychobiology*, *Developmental Cognitive Neuroscience*, *Learning and Memory*, *International Journal of Neuropsychopharmacology*, *Behavioral Brain Research*, *Psychopharmacology*, *Journal of Affective Disorders*, *Psychoneuroendocrinology*, *Frontiers in Behavioral Neuroscience*, *Frontiers in Human Neuroscience*, *Psychiatry Research*, *Neurobiology of Learning and Memory*, *Neuroscience*, *Neuropharmacology*, *eNeuro*, *Brain and Behavior*, *Brain Research*, *Social Cognitive and Affective Neuroscience*, *European Journal of Neuroscience*, *International Journal of Molecular Sciences*, *Physiology and Behavior*
