

Center for Breast Care

Guidelines & COVID safety measures for mammograms:

- Annual screenings are recommended for women beginning at age 40.
- UT Southwestern Medical Center accepts most major insurance plans. Please check with your health insurance provider to see if UT Southwestern is in their network.
- The UTSW Mobile Mammography Unit is designed for routine screenings. If you have any breast problems, please consult your physician.
- Patient must wear a mask.
- Patient will wait in the dressing room until they are called by the technologist.
- All areas will be sanitized in between patients.
- Please wait 4-6 weeks after your COVID vaccination for your screening mammogram.
- If it has been a year or more since your last mammogram, please call us to schedule your appointment: **214-645-2560 or 1-866-277-0710** (toll free).

The UT Southwestern Mobile Mammography 3D Unit will be available:
